Parking Rules

As most of you know, Castilleja del Arroyo HOA has hired a Parking Security employee to enforce the parking rules at our complex. We are very happy with his performance and we are sure you have noticed an improvement in the parking situation. Reviewing the parking violations log we have noticed there are certain rules that are broken often. So, we wanted to take this opportunity to remind you about these rules.

1. 96-Hour Rule: No vehicle shall occupy the same Visitor Parking Space for longer than 96 consecutive hours, unless the owner has obtained written approval from the Association for a limited one-time extension.
2. Hang Tags: Beginning at 5 p.m. and ending at 7 a.m. every vehicle parked in an uncovered Visitor Parking Space shall display a CDA Hang Tag within the vehicle, hanging from the rearview mirror, with the serial number facing forward and visible through the windshield. For those vehicles without a rearview mirror, the CDA Hang Tag shall be displayed on top of the dashboard such that the serial number is clearly visible from outside the vehicle. A CDA Hang Tag placed anywhere else in the vehicle, even though it may be visible from outside the vehicle, is considered invalid. The entire Hang Tag, including the serial number, must be visible from outside the vehicle. If it cannot be seen, the Hang Tag is invalid.
3. Vehicle Registration: Every vehicle parked on the Castilleja del Arroyo complex is required to have a current and valid registration. This requirement is for every vehicle, regardless of whether it is parked in your Unit Parking Space or in a Visitor Parking Space.

Vehicles found in violation of these rules are subject to fines and towing at the owner's expense. Please help us avoid these unpleasant penalties by ensuring you follow the rules.

You may find a copy of the Vehicle Operation and Parking Rules on the Documents page of the CDA website (castillejadelarroyo.com). You may also contact management at (925) 290-7456 if you have any questions.

Project Updates

The next project coming up in 2019 is to paint the complex. In future newsletters we will be providing more details as to when and how this project will happen. There will also be a period of time when we will ask you to comment on the color selections. So, look for more details to come.

Automatic Dues Payments

A reminder that the dues have already gone up to \$363 starting this month. If you have an automatic way of paying your dues, such as a Bill Pay system through your bank, please make sure you have changed the amount to reflect the increase.

Please make the change now to avoid late payment penalties later. Thank you.

Pets

In accordance with the CDA Governing Documents, pets may not be a nuisance. All pet owners must use common sense and behave courteously to avoid creating a nuisance. For example, if you have a dog, you should:

1. Train your dog to be obedient and well behaved
2. Keep your dog on a leash while in the common areas.
3. Train your dog to stay quiet in your home or patio, especially while you are away.
4. Keep your patio area clean to avoid unwanted smells, attracting flies and spreading disease.
5. Clean up after your dog if it eliminates in the common area.

Please remember, the determination of whether a pet is a nuisance or not is at the sole discretion of the CDA HOA Board. Any pet deemed a nuisance may be banned from the property and the owners fined. Please help us avoid any problems by following the rules and being a responsible pet owner. Thanks!
