Parking Rules

Here are some of the rules that are commonly broken.

1. **96-Hour Rule:** No vehicle shall occupy the same Visitor Parking Space for longer than 96 consecutive hours, unless the owner has obtained written approval from the Association for a limited one-time extension.
2. **Hang Tags:** Beginning at 5 p.m. and ending at 7 a.m. every vehicle parked in an uncovered Visitor Parking Space shall display a CDA Hang Tag within the vehicle, hanging from the rearview mirror, with the serial number facing forward and visible through the windshield. For those vehicles without a rearview mirror, the CDA Hang Tag shall be displayed on top of the dashboard such that the serial number is clearly visible from outside the vehicle. A CDA Hang Tag placed anywhere else in the vehicle, even though it may be visible from outside the vehicle, is considered invalid. The entire Hang Tag, including the serial number, must be visible from outside the vehicle. If it cannot be seen, the Hang Tag is invalid.
3. **Vehicle Registration:** Every vehicle parked on the Castilleja del Arroyo complex is required to have a current and valid registration. This requirement is for every vehicle, regardless of whether it is parked in your Unit Parking Space or in a Visitor Parking Space.
4. **Parking Space Boundaries:** Imagine an invisible wall coming up from the white lines in a parking space. No part of your vehicle may touch this wall. However, even within the parking space, you cannot park at an angle that interferes with ability of the person parking next to you to easily get in or out of their vehicle.

Vehicles found in violation of these rules are subject to fines and towing at the owner's expense. Please help us avoid these unpleasant penalties by ensuring you follow the rules.

You may find a copy of the Vehicle Operation and Parking Rules on the Documents page of the CDA website (castillejadelarroyo.com). You may also contact management at (925) 290-7456 if you have any questions.

Project Updates

1. Laundry Equipment Replacement: New equipment has been installed in all laundry rooms. With the new equipment you can pay with your smartphone or with quarters. Unfortunately, the large machines we were hoping to get are no longer available. So, standard machines are on order to fill those four spots. They are currently scheduled to arrive in January.
2. Aluminum Connector Retrofit: We have begun the process of repairing the aluminum wire connections in each unit. Please contact the Onsite Manager at (925) 290-7456 to schedule this required work in your unit.
3. "Unit 21 Fire": Reconstruction has begun on these units. We hope the construction will be complete by the end of the February, 2021.

Pets

In accordance with the CDA Governing Documents, pets may not be a nuisance. All pet owners must use common sense and behave courteously to avoid creating a nuisance. For example, if you have a dog, you should:

1. Train your dog to be obedient and well behaved
2. Keep your dog on a leash while in the Common Area.
3. Train your dog to stay quiet in your home or patio, especially while you are away.
4. Keep your patio area clean to avoid unwanted smells, attracting flies and spreading disease.
5. Clean up after your dog if it eliminates in the Common Area.

Please remember, the determination of whether a pet is a nuisance or not is at the sole discretion of the CDA HOA Board. Any pet deemed a nuisance may be banned from the property and the owners fined. Please help us avoid any problems by following the rules and being a responsible pet owner. Thanks!

In Memoriam

It is with sadness that the CDA HOA Board must report that one of our Board member, Ron Nielsen, has passed away. Ron's passing was not due to COVID-19, but was age-related. He was with his family in Utah at the time of his passing.

Ron was a valuable member of the CDA family and contributed significantly to the improvements our complex has seen over the past several years. His humor, kindness and honor will be missed.
