CDA Board Members

President - John Howard
Vice-President - Charles Katz
Secretary - Chong Knowles
Treasurer - Kevin Hawley
Director - Dorota Meller

Drought Conditions

According to the U.S. Government's official website, the U.S. Drought Monitor (<https://www.drought.gov>), Alameda County is currently in an Exceptional Drought. They expect this drought condition to persist in the coming months. Governor Newsom has called on Californians to reduce water usage by 15% to help protect water reserves.

Management

Onsite Manager
Greg Knowles, CCAM
(925) 290-7456

Offsite Manager
Nathan Mitchell - NAM
(925) 243-1797, x103
nmitchell@neighborhoodam.com

Leaks and drips can add up to thousands of gallons of wasted water each year. Please check to see if you have any water leaking from the hose bib near your unit. Also, if you hear any water running from unexpected areas, please let management know so we can investigate what the source is. If you see sprinklers broken, please let management know so they can be fixed.

Inside your unit, please consider installing water efficient equipment such as low flow shower heads and toilets. If you have a water filtration system, please replace worn out filters. When washing dishes please remember your dishwasher uses much less water than hand washing in the sink. However, if you do use the sink, please don't leave the water running when rinsing.

If we all contribute just a small effort to reduce our water usage, it can add up to a huge savings for all of us. Not only saving us money but also saving a resource that we, literally, must have to survive.

Flood Insurance

Over the years we have received several inquiries about flood insurance at Castilleja del Arroyo. These have mostly been prompted by financial institutions, who are providing loans on units here, telling their customers that flood insurance is required because CDA is in a flood zone. As a result, we investigated the legitimacy of their claims. What we discovered is that, most of the time, they are confusing our complex with the complex next door at 975 Murrieta Blvd., which has many of their units in the flood zone. However, there is one building at Castilleja del Arroyo that is in the flood zone. It is the building on the 1001 Murrieta Blvd. side of the complex that has even-numbered units 76 - 122.

We have added a link to the "Documents" page of the CDA website that will download a ZIP file for you. Within this ZIP file are files that show where the flood zone is located next to CDA. If you look at the picture of the flood zone boundaries, you will see there are only a few units in the far southwest corner of the complex that are in the flood zone. So, unless your unit is within this area, you are not in a flood zone. For those units within the building that is in the flood zone, CDA has procured limited flood insurance for that one building. Again, on the "Documents" page of the CDA website, you can download the Insurance Disclosure Form that provides information about the flood insurance coverage.

Feel free to share this documentation with your financial institution if they say you need flood insurance, and feel free to provide them with our number, 925-290-7456, if they wish to talk with us about it.

Future CDA HOA Board Meetings

November 9 & January 11

All Board meetings start at 6:30 pm in the Meeting room on the second floor near Unit 94.

If you wish to attend the meeting by Zoom, you will find the link in the CDA Calendar on the CDA website - CastillejaDelArroyo.com.

If your vehicle has been towed, please contact Allen's Automotive & Towing at (925) 443-1767.

They are located at 185 North K Street, Livermore CA 94550.

Project Updates

1. "Unit 21 Fire": Reconstruction has begun on these units. Unfortunately, due to delays in receiving materials from vendors, it appears this project will not be complete until the end of October, 2021.

Pest Control Contract

We would like to remind you that CDA has a contract with Orkin Pest Control. Our contract provides for both spraying around all the buildings on the second Tuesday of each month and to maintain several rodent bait stations.

However, the contract also provides for special pricing to owners if they wish to have interior pest control performed within their unit. The cost is \$25 if done on the day the technician is here for our monthly exterior service or \$40 if done any other day.

Please call (866) 640-4371 and press 1. Once an operator answers give them your address. If the operator tells you only the manager can make appointments for individual units, please ask them to read the account notes where we have given permission for residents to make appointments for their own units.

Please note that if you see any evidence of Termites, do not call Orkin. Please call the Onsite Manager at (925) 290-7456. Thank you.

CDA Community Watch

All of us here at Castilleja del Arroyo (CDA) are a community. It is important for us to watch out for each other. It is also important to let management know if there is a problem, so that we can have an opportunity to correct the situation.

If you observe some activity or condition that is unusual or concerning, please contact management at (925) 290-7456 or castillejadelarroyo@gmail.com.

Please understand that we have no desire to see anyone get into trouble, but it is necessary to try and correct problems when someone is behaving badly. We can't be everywhere, so we count on you to let us know when there are problems. Without your communication, the problem may never be resolved.

One final note, if you see crime happening, please call 911 right away. Thank you.
