Parking Rules

You may find a copy of the complete Vehicle Operation and Parking Rules on the Documents page of the CDA website (castillejadelarroyo.com). However, here are some common rules that are often broken:

- 1. 96-Hour Rule:** No vehicle shall occupy the same Visitor Parking Space for longer than 96 consecutive hours, unless the owner has obtained written approval from the Association for a limited one-time extension.
- 2. Hang Tags:** Beginning at 5 p.m. and ending at 7 a.m. every vehicle parked in an uncovered Visitor Parking Space shall display a CDA Hang Tag within the vehicle, hanging from the rearview mirror, with the serial number facing forward and visible through the windshield. For those vehicles without a rearview mirror, the CDA Hang Tag shall be displayed on top of the dashboard such that the serial number is clearly visible from outside the vehicle. A CDA Hang Tag placed anywhere else in the vehicle, even though it may be visible from outside the vehicle, is considered invalid. The entire Hang Tag, including the serial number, must be visible from outside the vehicle. If it cannot be seen, the Hang Tag is invalid.
- 3. Vehicle Registration:** Every vehicle parked on the Castilleja del Arroyo complex is required to have a current and valid registration. This requirement is for every vehicle, regardless of whether it is parked in your Unit Parking Space or in a Visitor Parking Space.
- 4. Parking Space Boundaries:** Imagine an invisible wall coming up from the white lines in a parking space. No part of your vehicle may touch this wall. However, even within the parking space, you cannot park at an angle that interferes with the ability of the person parking next to you to easily get in or out of their vehicle.

Vehicles found in violation of these rules are subject to fines and towing at the owner's expense. Please help us avoid these unpleasant penalties by ensuring you follow the rules.

Please contact management at (925) 290-7456 if you have any questions.

Future CDA HOA Board Meetings

Project Updates

1. The Roof Replacement project has been suspended for the rainy season. There are three buildings remaining and they will be completed when the rain stops in the spring.
2. The Annual Fire Safety Inspections are 99% complete. There are still a couple of units that need to have follow-up inspections for missing/defective equipment. Thank you for everyone's cooperation in getting these inspections done.
3. The laundry room renovations are well underway. Five of the six laundry rooms have had the floors redone with the sixth being done soon. The replacement lighting and timers will be installed once the new equipment comes in. We expect the project to be completed by next month.

Pets

In accordance with the CDA Governing Documents, pets may not be a nuisance. All pet owners must use common sense and behave courteously. For example you should:

1. Train your pet to be obedient and well behaved.
2. Keep your pet on a leash while in the Common Area.
3. Train your pet to stay quiet in your home, in the back patio or on the balcony, especially while you are away.
4. Keep your back patio area and balcony clean to avoid unwanted smells, attracting flies and spreading disease.
5. Do not leave food outside when your pet is not eating. This attracts other animals to our complex.
6. Clean up after your pet if it eliminates in the Common Area.

Please remember, the determination of whether a pet is a nuisance or not is at the sole discretion of the CDA HOA Board. Any pet deemed a nuisance may be banned from the property and the owners fined. Please help us avoid any problems by following the rules and being a responsible pet owner. Thank you!

Regular Assessments

Please make sure to adjust your monthly assessment payment to reflect the new amount starting January 1, 2025. Please remember there will be a \$40 late fee for any assessments received after the 15th of the month.

Holiday Decorations

Please remember to remove all your holiday decorations no later than Monday, January 13, 2025. Thank you!
